The Real Estate Council of San Antonio is seeking sponsors for the following opportunities in 2009. Each opportunity is an inexpensive way to advertise your company and support the ongoing efforts of the Council, and will be very much appreciated!

1. **Philip M. Barshop Founder's Award Luncheon Underwriter** – Scheduled for January 29, 2009, at the Pearl Stable, RECSA has established this event as a fitting tribute to the man who is regarded as “founder” of our organization. The purpose of the Philip M. Barshop Founder's Award is to honor those who carry forward Phil's legacy of leadership, hard work, community involvement and advocacy for the real estate industry. The award is given annually with the presentation made at the Real Estate Council's first program of each year. The cost to underwrite the luncheon is \$2,250 (includes table for 10 at the luncheon).
(Pate Engineers, Inc.)
2. **The Council Monitor** – This newsletter is published six times a year and your company name will be listed in each issue. In addition, one issue will feature a 250 word article or ad about your company. The Council Monitor goes to over 800 businesses and individuals. The cost of this sponsorship is \$1,000.
()
3. **Program Sponsors** – RECSA averages 7-9 programs every year. Sponsorship of a program will enable four people to attend the program, recognition at the program (including sign and mention), your company name listed on the program flyer, and an opportunity to display your company literature. The cost of this sponsorship is \$1,000.
(Magi Real Estate Services, CPS Energy, Hill & Wilkinson, Ltd., Plains Capital Bank)

Any one of these sponsorships will benefit you or your company as well as The Real Estate Council. Please call Sylvia Pizzini-Cantu in the Council office, 804-1155, for more information. Thanks for your consideration!
