TOWNE TWIN VILLAGE - OCTOBER 19, 2024
2024

What is RECSA's Community Project?

The Community Project provides a tangible benefit to an active partner organization in the larger San Antonio community that is unique to the skill sets of our members being from the local real estate industry.

Our 2024 Project

The 2024 Project will landscape the area behind the site's pavilion, a natural gathering space for residents. The new landscaping will create a beautiful background for the space, improve drainage in the area, and lower the need for ongoing maintenance. This project will be accomplished by volunteers on Event Day on October 19, 2024.

About Towne Twin Village

Towne Twin Village is a Permanent Supportive Housing Community using Housing First principles for the most marginalized and vulnerable individuals in the San Antonio region. Towne Twin Village primarily serves seniors (50+) who are experiencing chronic homelessness and at least one disability.
